Mercedes Benz Model 124 - M103 Maintenance Manuals

Thank you for your help. I was looking for the wires that come from the speakers in the front doors as they have the low frequency sounds. However, I did not see which cables they were at the headunit, so I took some pictures for reference and when I get a better idea what each one is, I will attempt the installation again.

My 1992 300e keeps giving me a check engine light (CEL) with trouble codes 12 and 18. I've changed every possible part; eha valve, ovd relay, air mass potentiometer, OVP relay, oxygen sensor - was in and out of the dealer who also changed a bunch of parts to no avail. When i reset the CEL it takes a few days before it comes back on.
