A Better India World Nr

MUMBAI: Which is a lesser evil—layoff or pay cut? While some India Inc CEOs believe that laying off is a business contingency and the easiest way to shore up share price, many others say that cutting headcount damages employee branding, and that instead the top management should be asked to take a haircut in their fixed compensation. “When you layoff, the markets and investors reward you

It was the best of times; it was the worst of times. Depending on the day, and depending on who you ask, this is Ambassador John Bolton's moment of ultimate triumph—or it's the national security advisor's moment of final overreach. Two sources familiar with the matter tell me President Donald Trump's rumbustious National Security Council chief is headed for the exits, having flown too ...
