Social Responsibility - UnitedHealth Group

Social responsibility is an ethical framework and suggests that an entity, be it an organization or individual, has an obligation to act for the benefit of society at large. [citation needed] Social responsibility is a duty every individual has to perform so as to maintain a balance between the economy and the ecosystems. A trade-off may exist between economic development, in the material sense ...

Social responsibility - Wikipedia

Social Services. To bring about meaningful change, individuals need ongoing encouragement and tools. We're here day-in and day-out to provide the resources our communities need to address the most pressing social issues: child welfare, education, employment, housing and substance abuse.
