SCHEDULE OF RECOMMENDED FEES TO BE CHARGED - acec-sk.ca

The Association of Consulting Engineers (ACE) said that reinstating fee scales was vital as the industry was on the brink of collapse in the face of mounting skill shortages. Unless fees can be set at higher levels than those determined by market forces, salaries will stay depressed and skill shortages will worsen, the ACE warned this week.

ACE calls for return of fee scales to tackle skills crisis ...

These guidelines should be used in conjunction with the APEGA document entitled "Development of Consulting Rate Structures and Contracts: Guideline for Professional Members". These rates are intended as a guideline for professional services on standard projects.
