And next time somebody tells you that something is true, why not say to them: "What kind of evidence is there for that?" And if they can't give you a good answer, I hope you'll think very carefully before you believe a word they say.5" — Stephen Law, *Believing Bullshit: How Not to Get Sucked into an Intellectual Black Hole*

Believing Bullshit Quotes by Stephen Law - goodreads.com

If you're an aspiring guru, why not produce your own contradictory remarks? The great beauty of such comments is that they make your audience do the work for you. Their meaning is not for you, the guru, to say – it's for your followers to figure out. Just sit back, adopt a sage-like expression, and let them do the intellectual labour.
