image source: hemmings (first posted 5/18/2012. updated 4/18/2017) The 1958 - 1960 Lincolns were all about superlatives, especially in size. These were the biggest (non-5 mph bumper) Lincolns ever made (131" wheelbase; 229" overall length), as well as the roomiest ones: front and rear shoulder room that has never been surpassed, as well as extravagant legroom.
