CAT ETTroubleCodes | Diesel Engine | Mechanical Engineering

That should be enough to get me started, I am going to make a compressor when the seals show up next weekend. The problem I am addressing is oil leaking out of the number 6 exhaust port, the engine still runs great with no smoke and since the head has 960000 miles on it I thought a failed valve stem seal might be the culprit.

Can I change the valve stem seals on a Cat engine without ...

Abstract: A number of heavy-duty diesel engine manufacturers have developed their own electronic fuel injection systems. Examples include the Hydraulic Electronic Unit Injector (HEUI) and the Mechanically actuated Electronically Controlled (MEUI) systems by Caterpillar, and a number of systems by Cummins such as the Accumulator Pump System (CAPS), Quantum CELECT, HPI, and XPI injection systems.

Electronic Fuel Injection Systems for Heavy-Duty Engines

Hey guys, does anyone have the part number for the spring loaded timing pin that pops into the flywheel when finding TDC on the c series engines, c27/32 and will the same one do the 3512/16 as well?

C series timing pin part number | Heavy Equipment Forums

An exhaust system is usually piping used to guide reaction exhaust gases away from a controlled combustion inside an engine or stove. The entire system conveys burnt gases from the engine and includes one or more exhaust pipes. Depending on the overall system design, the exhaust gas may flow through one or more of:

Exhaust system - Wikipedia

10 Best and Worst Diesel Engines in History. Ah the elusive diesel engine: power, strength and the raw horsepower to get the things done. You can't go wrong with diesel and in this author's humble opinion you're already way ahead of the curve if you go diesel vs a puny gas engine.
