Conscious Partnering Conference 2019

Amanda Sharkey has produced a very good paper on robot ethics which reviews recent research and considers the right way forward – it's admirably clear, readable and quite wide-ranging, with a lot of pithy reportage. I found it comforting in one way, as it shows that the arguments have had a rather better airing to date than I had realised.

Conscious Entities

In an age of B corporations and the triple-bottom line approach to running a company, there's a lot of focus on what conscious capitalism can do for people, the planet and profits. Conscious ...

Conscious Leadership. Conscious leadership is also a characteristic of conscious business and foundational to conscious capitalism. Because the public neither believes nor trusts organizations and their leaders, one can wonder – who are these conscious leaders who work from a place of higher purpose, take on an expanded view to deliver value for all stakeholders, and create conscious cultures?
