From the very outset "Abarth & C." realised the importance of promoting its products and cars in the best way possible. Carlo himself must surely have been instrumental in this decision as, like so many other things done by the factory, it had to be done well and using the best products available at the time.

The Space Race refers to the 20th-century competition between two Cold War rivals, the Soviet Union (USSR) and the United States (US), for dominance in spaceflight capability. It had its origins in the missile-based nuclear arms race between the two nations that occurred following World War II, aided by captured German missile technology and personnel from the Aggregat program.
