

Sun, 13 Jan 2019 19:48:00 GMT development induced displacement and resettlement pdf - Development-induced displacement and resettlement (DIDR) occurs when people are forced to leave their homes and/or land as a result of development. This subset of forced migration has been historically associated with the construction of dams for hydroelectric power and irrigation but is also the result of various development projects such as mining, agriculture, the creation of military ... Mon, 14 Jan 2019 04:17:00 GMT Development-induced displacement - Wikipedia - Displacement, Resettlement, Rehabilitation, Reparation and Development ii This is a working paper prepared for the World Commission on Dams as part of its information-gathering activity. Sun, 13 Jan 2019 08:57:00 GMT Displacement, Resettlement, Rehabilitation, Reparation ... - Forced displacement or forced immigration is the coerced movement of a person or people away from their home or home region and it often connotes violent coercion. Someone who has experienced forced displacement is a "forced immigrant", a "displaced person" (DP), rarely also a "displacee", or if it is within the same country, an internally displaced person (IDP).
