Engine Service Soon Nissan

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

What Does the Service Engine Soon Light Mean on a Nissan

The "service engine soon" light indicates that the vehicle's on-board diagnostic computer has detected a problem with one of the car's systems. The computer processes input on system operating parameters while the car is active and illuminates the light if they fall outside of acceptable ranges.

What Does the Nissan "service Engine Soon" Light Indicate ...

my Nissan Altima 2006 has this problem: service engine soon light came on after the engine jerked on high way a week ago. Went to Autozone and got the code: P0335 & P0725. Are these Recall items? Thank you very much and look forward to hearing from you.

Nissan Altima service engine soon light came on - ASAP

Q: What does the Service Engine Soon Light mean? The meaning of the "Service Engine Soon" Light is dependent on the make and model of your car and the manufacturer's specifications. There are numerous dashboard...

What does the Service Engine Soon Light mean?

It is not saying the CHECK ENGINE, it is say to "Service Engine Soon" which I think is just a dumb light that comes on to remind you it is service time which I just had completed. It is triggered on mileage. The service tech was supposed to reset it but forgot hence is now comes on after my slightly early service.

Service Engine Soon - Reset? - Nissan Forum | Nissan Forums

Hello. I have a 98 Altima GXE. My Service engine soon light has been on for around 3 days, and went off a couple hours after I filled her up... Now im at a quarter of a tank, and it's back on.
