Restaurants & catering While public eateries existed in Ancient Rome and Sung Dynasty China, restaurants (we know them today), are generally credited to 18th century France. The genesis is quite interesting and not at all what most people expect. Did you know the word restaurant is derived from the French word restaurer which means to restore? The first French restaurants [pre-revolution] were ...

2. Sample Menu. The next thing you will need to include is a sample menu. Be sure to highlight both your food and drink options. Because the menu is central to your restaurant in general and to its brand, you should put substantial effort into this part of the business plan. Don't just list everything out—get as close to a full-fledged menu as you can.
