The Citroën C5 is a large family car produced by the French manufacturer Citroën since March 2001, and now in its second generation. The C5 replaced the Citroën Xantia, in the large family car class. It is not the first Citroën with "Cx" naming nomenclature, as it was used by its ancestors, the C4 and C6 from 1930. The third generation is expected to be released in 2020.

### **Citroën C5 - Wikipedia**

The popularity of French automobiles may not be at the high point now that it was in the early stages of the last century, but even with the advances made by other nations, there are still several brands which owe either their existence or a significant element of their popularity to the nation.
