History. The first combi steamer was invented in the late 1960s by the company Burger Eisenwerke. The company was purchased by Juno in Herborn in 1976 and is now part of the Swedish corporation Electrolux, who developed the appliances further and now markets them under the Electrolux professional brand name.. The technology has been under constant development since its invention.

We looked at 66 freestanding gas ranges (which typically cost less than \$1,000), and frankly, it was hard to tell most of them apart. But the GE Adora JGB720 is one model that stood out (just a bit) from the pack. It has the sturdiest build and some of the best-looking finishes for the price without skimping on cooking performance or features.

The Bosch 300 Series SHEM63W55N has the best racks for the money, including a V-shaped third rack and an adjustable middle rack. The extra capacity and flexibility allow it to hold more dishes per cycle (including hard-to-fit items like trays, pots, and cooking tools) than its competitors, all loaded properly so that they should get totally clean.
