GEORGIA CREDIT RECOVERY MATH 2 POSTTEST ANSWERS ...

Unfortunately, this is often a problem as a student who "passes" Geometry in credit recovery is usually not ready for Algebra II and the cycle starts all over again. I have taught at least 5 students who have told me that they haven't passed a math class anywhere but credit recovery since they entered middle school.

I cheated my way through credit recovery and I don't even feel guilty? I am not the type of person that cheats on tests or anything but I cheated on a series of test for credit recovery. Here is what happen see they had this smart dude nicholas that was very good in algebra and I suck at math. So I use to sit by him and he ask me if he can do it.

The Georgia Mathematics standards are designed to help learners achieve a balance among concepts, skills, and problem solving. They provide clear expectations for curriculum, instruction,

assessment, and student work.

Mathematics - Georgia Department of Education

Credit Recovery (CR) provides a flexible learning experience in a teacher-less environment. Courses are fully aligned with the Georgia Performance Standards and allow students to earn credit based on competency of the content standards. CR extends students an opportunity to retake a course in which he/she was not previously successful.
