Convey definition and meaning | Collins English Dictionary

The obvious question was "Why the Y-Job? Why go to all the trouble of creating a prototype that would never go into production?" This experiment in design came about largely at the impetus of a General Motors styling manager -- and eventually vice president at GM -- by the name of Harley Earl.

Why the 'Y-Job' -- Harley Earl and the Buick Dream Car ...

His presentation described how researchers Shayer and Adey identified the difficulties that children learning sciences experienced, particularly 11 to 16-year-olds. The researchers wanted to develop an evidenced-based theory of science learning and teaching using Piaget's model of developmental stages. This involved really getting to grips with students' thinking and their understanding of ...
