WAMAP is a web based mathematics assessment and course management platform. Its use is  
provided free to Washington State public educational institution students and instructors.

## WAMAP

As we have mentioned before, it is practically impossible to cope with both part-time job and  
studying duties. In this tough situation, we, as retired students, took a responsibility to help a new  
generation and provide young people with quality college and high school homework help that they  
really deserve.
