Warning: Tigertronics has not verified the accuracy of all of the radio wiring information that is provided here. This information is provided for reference only and is NOT intended to replace our detailed jumper installation procedure. It is essential that you double-check this information against your radio's manual before doing the actual installation.

HT Jumpers & Wiring - Separate PTT Line - Tigertronics

The following are average prices (in USD) for good older Icom HF radios. Note that the IC-701 and IC-720 series are not recommended (see comment below).. This page is a guide to products and typical market values only.

Good Older Icom Radios - AB4OJ

NOTE: This page contains radio wiring information for our BayPac series modems. This information can also be used with the RTX-12 telemetry modem since it has the same radio interface (cable and HT jumper) as the BayPac.
