The software is a learning and training tool, a sophisticated session creation and tracking system that includes extensive illustrations and digital ...

eTouch for Health Energy Kinesiology

We have found the V-REP robot simulation environment to be a valuable learning tool accompanying the book. It is free for educational use and cross platform. In ME 449 at Northwestern, we use it to experiment with the kinematics of different robots and to animate solutions to inverse kinematics, dynamic simulations, and controllers.

Modern Robotics - Northwestern Mechatronics Wiki

Food Allergies for School Nutrition Directors is an in-depth training on managing food allergies in school nutrition programs. Directors and food allergy management personnel who take this course will create an outline of a food allergy management plan or have an opportunity to strengthen their existing plan.
