What are communities of practice? Communities of practice are formed by people who engage in a process of collective learning in a shared domain of human endeavor: a tribe learning to survive, a band of artists seeking new forms of expression, a group of engineers working on similar problems, a clique of pupils defining their identity in the school, a network of surgeons exploring novel ...

### **IXL - Introduction to partial sums (Algebra 2 practice)**

Medical scientists and practitioners rank evidence according to its quality. When these types of evidence are ranked as levels, one on top of the other, the resulting image takes the form of a pyramid, because the higher the quality of evidence, the rarer it is, and the lower the quality of evidence, the more ubiquitous it is.

### **Introduction - Evidence Based Practice - Library Guides at ...**

Some clinicians have expressed apprehension about the use of evidence-based practice, concerned that EBP is just "cookbook" medicine. However, Evidence Based Practice does more than just identify research, it integrates the best possible evidence with individualized patient care.
