Project Risk Management Plan - They say, "Precaution is better than cure" and this holds to be true in every walk of life. Be it the time when you own a project or you're off studying for an exam, taking remedial measures at the very start of your work can help you gain a head-start as well as avoid the mishaps and catastrophic events later on, when you're knee-deep into the commitment.

6 Basic Steps to Develop a Project Risk Management Plan

"I highly recommend Intellectual Point. I am a proud student who matriculated through their PMP/CAPM course. The instructor and staff were very engaging, high energy, and created an atmosphere that is conducive for learning.
