Nanjing Automobile is a state-owned enterprise [citation needed] with a history that dates from 1947, making it the oldest of the Chinese automobile manufacturers although the comparatively younger FAW Automotive was the first to make cars.. The group's products have included cars, trucks, and buses. Nanjing Auto merged with the much larger SAIC in 2007 becoming a subsidiary of that company.

Nanjing Automobile - Wikipedia

The Firestorm High Speed Aluminum Fireboat represents a new generation in fireboat technology.. It is a culmination of years of study and research into high volume pumping systems and their effects on a small boat's stability, controllability, dynamic loading and righting moments.. The Firestorm operates on the Kingston design platform. The Kingston hull form is a proprietary design that ...
