Front-load vs. Top-load Washer: Which Should You Buy ...

I've had a WCVH6260F0WW for over a year now with no problems. Just this week I went to get a load out and it still showed twenty minutes left but it had stopped. I started it again, and the door locked, then unlocked, then locked again and started. I came back when it was done and there was standing water and the clothes were still soapy.
