The colonial history of the United States covers the history of European colonization of America from the early 16th century until the incorporation of the colonies into the United States of America. In the late 16th century, England, France, Spain, and the Netherlands launched major colonization programs in America. The death rate was very high among those who arrived first, and some early ...

Colonial history of the United States - Wikipedia

The American Revolution was a colonial revolt that took place between 1765 and 1783. The American Patriots in the Thirteen Colonies won independence from Great Britain, becoming the United States of America. They defeated the British in the American Revolutionary War (1775–1783) in alliance with France.. Members of American colonial society argued the position of "no taxation without ...
