Canon. Canon laser printers and copiers work with PaperCut.The majority of Canon BubbleJet printers are compatible. Canon UFR is an undocumented proprietary language and driver updates have been known to cause issues, however regular PaperCut updates (see below) offer continued support.. Note May 2017: LBP842C driver: Fixed an iOS printing issue that caused an incorrect page count.

PaperCut KB | Supported Printers

Printing is a process for reproducing text and images using a master form or template. The earliest non-paper products involving printing include cylinder seals and objects such as the Cyrus Cylinder and the Cylinders of Nabonidus.The earliest known form of printing as applied to paper was woodblock printing, which appeared in China before 220 AD. Later developments in printing technology ...
