I receive a lot of emails from parents around the world relocating to London. Just in the last week, I have received emails from mums and dads in New York, Dubai, Portugal and Mumbai! The problems faced by internationals moving to London with children tend to be very similar - what year group will their child be joining? Is it possible to find a state school place when you don't yet live in ...

NEVER take the road people want u to. It's your life, ride your own way. U may not have a limo, but feel happy to ride on your own bike. With our eldest currently in grade 8 and still at the start of his high school years, the time has come for us to make a decision about what direction we're going to take getting him through matric with University Exemption.

This is the British International School Phuket's IB maths exploration (IA) page. This list is for SL and HL students - if you are doing a Maths Studies IA then go to this page instead. The authors of the latest Pearson Mathematics SL and HL books have come up with 200 ideas for students doing their maths explorations. I have supplemented these with some more possible areas for investigation.
