Basic Linux kernel documentation The following are Linux kernel related documents, which you should take a look at before you post to the linux-kernel mailing list: . The Linux Kernel Hackers' Guide, compiled by Michael K. Johnson of Red Hat fame. Includes among other documents selected Q/As from the linux-kernel mailing list.

The linux-kernel mailing list FAQ

Admittedly a prosaic concept, research impact can be roughly divided into academic and non-academic dimensions. Academic research impact is often (over)simplified to mere citations—an impactful article is well cited and utilized by others, with citation counts being offered by Google Scholar, Scopus, or ISI Web of Science.

Promoting novelty, rigor, and style in energy social ...

Q Paul, there are few better examples of real-time, embedded systems these days than a car. Unfortunately, it is starting to look like car-manufacturer Toyota s problem might have something do with...
