1000 or one thousand is the natural number following 999 and preceding 1001. In most English-speaking countries, it is often written with a comma separating the thousands unit: 1,000. In analogy to the term century for '100 years' the time lapse of 1,000 years is sometimes termed, after the Greek root, chiliad. A chiliad of other objects means 1,000 of them

A few weeks back I wrote a column that offered tips to men of color who want to increase their success with white women. As promised, I've inverted the skin hues to help out my Caucasian brothers this time around. Because I'm black, I obviously can't speak to what it takes to bed females of any race as a white guy.

Chef's salad Food historians can't quite agree on the history and composition of chef's salad much less who assembled the first one. Some trace this salad's roots to Salmagundi, a popular meat and salad dish originating in 17th century England and popular in colonial America. Others contend chef's salad is a product of early twentieth century, originating in either New York or California.
