I hope any readers who may have been following the debate between myself and Lars T Lih/Jack Conrad over the past few years will forgive me if I briefly summarise it for the benefit of anyone tuning in for the first time. I have defended in these pages the traditional view of Trotsky and other historians that there were important differences between the perspectives of Lenin and Trotsky at the ...

Permanent Revolution

The "Copernican Revolution" is named for Nicolaus Copernicus, whose Commentariolus, written before 1514, was the first explicit presentation of the heliocentric model in Renaissance

scholarship. The idea of heliocentrism is much older; it can be traced to Aristarchus of Samos, a Hellenistic author writing in the 3rd century BC, who may in turn have been drawing on even older concepts in ...

"The Stranger' is an excellent portrayal of the Biblical response to the immigrants living among us. It is a great reminder that the Church can share the love of Jesus in very tangible ways."

The Stranger | Evangelical Immigration Table

American Revolution: American Revolution (1775–83), insurrection by which 13 of Great Britain's North American colonies won political independence and went on to form the United States of America. The war followed more than a decade of growing estrangement between the British crown and many North American colonists.
