Before diving right into learning about the seven chakras and what each of them does, take a moment now to tune in to your body and see if you can feel your chakras at work. For beginners, those chakra exercises may seem “odd” – simply go with the flow and soon, you will not be a chakra beginner any longer ☐☐

This post is a beginner's user manual for a travel trailer. I purchased a travel trailer a year ago and have learned a lot of things that most of the more experienced people never explained to me, so I'm hoping that his post will steer you in the right direction. Before you commit to purchasing a travel trailer yourself, we recommend doing a test run to make sure it's right for you.

Dirty Talk: Advanced Level. The following dirty talk examples are not for the faint of heart and these phrases probably shouldn't be attempted within the first month of your new relationship (unless you met your partner at an orgy/sex party and that overtly sexual context has already been set between the two of you). As with most things to do with eroticism, it's often the least ...

In the Yoga Sutra, Patanjali gives instruction on how to meditate and describes what factors constitute a meditation practice. The second sutra in the first chapter states that yoga (or union) happens when the mind becomes quiet. This mental stillness is created by bringing the body, mind, and senses into balance which, in turn, relaxes the nervous system.

Note: There are exceptions to the above so check local repeater listings. Why do Repeaters use an Offset? To use a repeater a user station must use a different transmit frequency than receive frequency. This is a form of duplex, or two frequency operation. It is known as half-duplex as you do not receive and transmit at the same time but normally use the push-to-talk button on your microphone ...

Source: Web exclusive: December 2010. When you think of doing yoga, your first association might be with the physical practice: moving through the yoga poses and practising yoga breathing. But meditation—the act of focusing your mind—is also part of a well-rounded yoga experience.. Learning to meditate in yoga involves more than sitting still for a few moments each day.
