### **Fault on Samsung LED TV UE40D5520 FIXED**

The D5520 then goes from interesting to compelling. The Samsung's at its most equivocal when upscaling DVDs, and even then it does impressive work. The colour palette is wide-ranging, subtle and entirely believable, and clean, bright whites coexist happily with deep, detailed black tones.

### **Samsung UE40D5520 review | What Hi-Fi?**

The Samsung D5520 series is the least expensive Smart TV range from the Seoul-based television

maker. Pressing the [SMART] button on the remote summons the “Smart Hub” internet-connected portal on the UE40D5520 minus a few key functionalities (such as web browsing) which are reserved for higher-end models.

Thinking of grabbing the Samsung D5520 40", but a little concerned that it appears not to play mkv's over a network, yet does from USB. Along with the Internet features, the set can also playback content from memory keys or hard drives plugged into either of its two USB ports. A pretty broad range ...
