Sparx Systems, together with the International Institute of Business Analysis™ (IIBA®), has announced the public Beta release of a toolkit for IIBA's Business Analysis Body of Knowledge® (BABOK® Guide v3), supported by Sparx Systems' Pro Cloud Server and an MDG Technology within Sparx Systems Enterprise Architect

Tools & Techniques for BABOK® Guide v3 - Enterprise Architect

"The original mandate for our sales reporting solution has been exceeded in the extreme. We're now not only able to produce the original reports, but the 'drill-down' on these reports enables the sales team to analyse their sales, focus on the areas & customers that are not fulfilling their expectations, and even check that what they imagine is happening in terms of orders, is true.
