We tend to accept that people in authority must be right. It's this assumption that Socrates wanted us to challenge by urging us to think logically about the nonsense they often come out with, rather than being struck dumb by their aura of importance and air of suave certainty. This six part series

This incident resurfaced in the news recently, after Indonesia insensitively renamed a corvette warship "Usman-Harun" - after the two commando bombers.. We really don't know what prompted Indonesia to make such a decision, and the resulting furore needlessly strained bilateral ties between our countries. Singapore imposed a ban of this ship entering its ports and naval bases.
