Q: I want people to understand what my art is about. The subtler aspects of my work aren't immediately obvious and I want viewers to get my overall intent. How can I do this? A: These days, most people look at art online rather than experience it in person. Even if they see it in person, you can't always be there to talk about it.

Explaining Your Art to Viewers - Art Business

The history of writing traces the development of expressing language by letters or other marks and also the studies and descriptions of these developments.. In the history of how writing systems have evolved in different human civilizations, more complete writing systems were preceded by proto-writing, systems of ideographic or early mnemonic symbols (symbols or letters that make remembering ...

History of writing - Wikipedia

Nature writing is nonfiction or fiction prose or poetry about the natural environment. Nature writing encompasses a wide variety of works, ranging from those that place primary emphasis on natural history facts (such as field guides) to those in which philosophical interpretation predominate.

Running an event in Downtown Victoria? Provide us with the details and we may add it to our calendar!

Events Calendar - Downtown Victoria Business Association

I'm sorry I'm responding here instead of in the post, but in regards to the anon in a loop because of anxiety, I too went through that, and in my case I had inherently and wrongly assumed I had to marry every idea I wrote --it had to 'do justice' immediately on the first attempt, and changing ideas or fixing things later would be painstakingly hard (which it hardly ever is).

Wrex Writes

fantasy-writing:. I think it's very important to avoid pretentious style in your writing without restricting yourself to utter simplicity. It can be hard, but the onus is on you to find a happy medium between complexity and flowing readability, too complex and overly wordy and you will sound pretentious, too simple and your prose will be limited in it's vividity.

Writing prompts, tips, and advice.

3 Seven Recommendations for Teaching Writing Recommendation 1. Dedicate time to writing, with writing occurring across the curriculum, and involve students in various forms of writing over time.

Effective Writing Instruction for All Students

There's an epidemic out there—an epidemic of bad emails. I really realized it after about the fifth time my boss commented on an email I sent her to look over: "That's a really good email ...
