The Cultural Politics Of Emotion

Cultural studies of emotions. Research on the relationship between culture and emotions dates back to 1872 when Darwin argued that emotions and the expression of emotions are universal. Since that time, the universality of the seven basic emotions (i.e., happiness, sadness, anger, contempt, fear, disgust, and surprise) has ignited a discussion amongst psychologists, anthropologists, and ...

A cultural movement is a change in the way a number of different disciplines approach their work. This embodies all art forms, the sciences, and philosophies. Historically, different nations or regions of the world have gone through their own independent sequence of movements in culture, but as world communications have accelerated this geographical distinction has become less distinct.

Berlin. October 7, 1944. A typical day toward the end of the Third Reich. Soldiers die. Civilians suffer. Jews are murdered. Nothing special. In the Beethovensaal a concert is about to begin, but the theater is empty, relieved of its usual audience studded with Nazi elite seeking a brief cultured respite from the stresses of war. The Berlin Philharmonic Orchestra is on stage, awaiting its cue.
