The Articles of Confederation established the first governmental structure unifying the 13 colonies that had fought in the American Revolution. In effect, this document created the structure for the confederation of these newly minted 13 states. After many attempts by several delegates to the Continental Congress, a draft by John Dickinson of Pennsylvania was the basis for the final document ...

During the last 100 years, approximately 110 million people have died under the forces of socialist regimes. Today, in Venezuela, citizens who haven't died of starvation or fled the socialist paradise are rising up en masse against President Maduro's brutal dictatorship. Incidentally, Maduro himself most definitely is not starving. Despite these numbers, it is considered [...]

Ethical Decision Making in Research. Although codes, policies, and principals are very important and useful, like any set of rules, they do not cover every situation, they often conflict, and they require considerable interpretation. It is therefore important for researchers to learn how to interpret, assess, and apply various research rules and how to make decisions and to act ethically in ...

A sovereign default (/ ' s ɒ v ə r ɪ n /) is the failure or refusal of the government of a sovereign state to pay back its debt in full. Cessation of due payments (or receivables) may either be accompanied by formal declaration (repudiation) of a government not to pay (or only partially pay) its debts, or it may be unannounced.

In the last two posts, here and here, we have argued that neither the classic Hobbesian line of the benefits of a Leviathan nor James Scott's perspective of disadvantaged groups always fleeing the authority of the state are fully satisfactory. Instead, it appears that though the state is often an instrument of repression and extraction in the hands of economic or political elites, there are ...
